An Introduction to Communicating the Role of Nuclear Energy in Clean Energy Systems for Young Professionals

April 2019
Some Housekeeping Items

Two Options for Audio (select audio mode):

1. Listen through your computer.
   ➢ Please select the “mic and speakers” radio button on the right hand audio pane display

2. Listen by telephone.
   ➢ Please select the “telephone” option in the right-hand display, and a phone number and PIN will display.

3. Panelists - Please mute your audio device when not presenting

4. Technical Difficulties:
   ➢ Contact the GoToWebinars Help Desk: 888.259.3826
Some Housekeeping Items (continued)

• To ask a question
  ➢ Select the ‘Questions’ pane on your screen and type in your question

• Share with others or watch it again
  ➢ A video/audio recording of this Webinar and the slide decks will be made available at: https://www.youtube.com/user/cleanenergypolicy
AGENDA

1. Welcome & Introductory Remarks

2. Introduction and Overview
   - Carrie Edwards, Senior Advisor, United States Department of Energy
   - Jeremy Gordon, Director, Fluent in Energy

3. Storytellers from International Youth Nuclear Congress (IYNC)
   - Kristine Madden, Austria
   - Fabricia Pineiro, Canada
   - Myra Liyana Razali, Malaysia
   - Jeremiah Mbazo, Nigeria

4. Question and Answer Session
Meet the Presenters

Carrie Edwards
United States Department of Energy
   – Senior Advisor Contract Support for Office of Nuclear Energy

To share your story, contact Carrie Edwards at:
carrie.edwards@nuclear.energy.gov
Meet the Presenters

Jeremy Gordon
Fluent in Energy

- Director
- Joined the World Nuclear Association in 2006 and launched its independent World Nuclear News service the following year.
- Lead a team producing WNN as well as the WNA’s Information Library and Reactor Database

To share your story, contact Carrie Edwards at:
carrie.edwards@nuclear.energy.gov
Meet the Storytellers

Kristine Madden

- **International Youth Nuclear Congress**
  - Austria
  - Since 2012, Kristine has served in an executive role at the IYNC
  - Kristine is also actively involved with the IAEA's Women in Nuclear and the United Nations Young Generation in Nuclear chapters.

Fabricia Pineiro

- **International Youth Nuclear Congress**
  - Canada
  - External Relations Chair and Climate Change Ambassador at the IYNC
  - Member of the leading group of the Women in Nuclear (WiN) Golden Horseshoe West Chapter
  - President of the North American Young Generation in Nuclear Greater Toronto Area Chapter
  - Program Coordinator at the Canadian Nuclear Society (CNS)

To share your story, contact Carrie Edwards at: carrie.edwards@nuclear.energy.gov
Meet the Storytellers

Myra Liyana Razali

• International Youth Nuclear Congress
  – Malaysia
  – In 2012, she moved to Malaysia Nuclear Power Corporation until January 2019
  – Graduated with a Bachelor of Human Sciences in English Language and Literature from the International Islamic University Malaysia in 2006.

Jeremiah Mbazor

• International Youth Nuclear Congress
  – Nigeria
  – Nigerian Nuclear Engineer with a decade industry experience concluding his PhD in South Korea with a focus in reliability analysis of complex systems including nuclear power plants systems.
  – Co-founded African Young Generation in Nuclear (AYGN)
  – Co-founder and current president of Nigerian Young Generation in Nuclear (NYGN).
Storytellers from IYNC

Kristine Madden  Fabricia Pineiro  Myra Liyana Razali  Jeremiah Mbazor
